Immediate Action To Be Taken By New Band Committee

We're going to have a hand. It's been a long hard job to get the proposition ironed out. It has taken a lot of work. There have been a lot of set-backs. Candidate of Judge Elwyn Thomas Is Gaining Favor Throughout Florida

PORT PIERCE, Apr. 21.—Four Bar Associations in Florida have unanimously endorsed the candidacy of Judge Elwyn Thomas of the Ninth Judicial Circuit for the vacancy in Group 2 of State Supreme Court caused by the retirement of Chief Justice Ellis. Judge Thomas has served on the Circuit Court bench in Port Pierce for almost thirteen years, and his record of having had only one reversal in 550 criminal cases has sat on, won him this recognition.

The Bar Association of Martin

county was the first group in the state to give him a unanimous endorsement, and was followed quickly by the Bar of Okeechobee. Several days later the Bar of Indian River county notified his headquarters of similar action, and the Port Pierce Bar Association followed suit.

Advice from attorneys who are friendly to Judge Thomas' campaign indicate that similar action will be taken by the Bars of Miami, Jacksonville, West Palm Beach and Tampa before the primary on May 3rd.

"52nd Street" Is At Belle Glade Movie

With the most exciting and glamorous story in the world at its locale and the greatest aggregation of entertainers from both the East and the West in the cast, Walter Wanger's "52nd Street" makes its joyful first appearance here when it plays at the Belle Glade theatre on Sunday and Monday.

Swing bands and comics, eccentric dancers and scat singers, all gleaned from the 600-foot strip of "52nd Street" that is jammed with night clubs, contribute their specialties to the first screen story of America's only swing street.

Recreated from their nocturnal haunts in Manhattan are Maudie Jack White from the 18, Maurice Rocco and Dorothy Sautters from the Kit Kat club, George Tappan, tap dancer from the Paradise, Jerry Colonna who has appeared in a dozen hot-spots, Cook and Brown of the Harlem Uptown House, Pat Harrington, Al Norman and the "52nd Street" Girls head the array of Broadway entertainers which appear in "52nd Street."

Hollywood's contribution to this impressive cast includes Kenny Baker, rising young radio singer who just completed his first starring vehicle for Mervyn LeRoy "Mr. Dodd Takes A Air" in Hunter, Leo Carillo, Pat Peterson, Ella Logan, Sid Silvers, Zasu Pitts, Dorothy Peterson, Marilyn Shelton, Collette Lyons and Al Sheen, everyone a stellar screen personality.

This array of talent which comprises Broadway and Hollywood's finest, is woven into a sparkling, romance that unfolds along the thoroughfare of New York hot spots, and combines all the mild swirl and eddy of night life with the story of compelling interest.

It was directed by Harold Young from a screenplay by Grover Jones. The dance numbers were staged by Danny Dare and Walter Bullock and Harold Spina contributed the songs and musical play. It is released through United Artists.

The State Agricultural Extension service in cooperation with county agents began Wednesday of this week holding meetings in centers throughout the citrus belt. Twenty-five meetings are scheduled for the discussion of major production and marketing problems.

United States Senator

DON'T BE MISLED — Many supporters of the different candidates will predict overwhelming election of their favorite without any reasonable basis for such prediction.

On Thursday, March 31st, 1938, members of the student body at the University of Florida in Gainesville took part in a poll which was a feature of the student body election to elect officers for student government for following year:

The votes of these young men representing every county in the state show the following results:

CLAUDE PEPPER	1,445 votes
MARK WILCOX	454 votes
DAVE SHOLTZ	256 votes

With the Youth of the State of Florida It's
